

PRESS RELEASE

Mario Guasco new HR Director at Teleperformance in the Benelux

Zoetermeer, February 8, 2010 - Mario Guasco started as Human Resources Director at Teleperformance in the Benelux. Prior to this, Mario was HR Director at Teleperformance South Cone in Argentina and Chile. He has many years of experience in the field, having worked for top multinational companies both locally and at an international level. Mario holds a Bachelor degree in Business Administration and a Master degree in Economics. His expertise will be used to continue improving our Human Resources practices within Teleperformance across the region.

More than 2,400 people are employed by Teleperformance Benelux. Human Resources are very important within the high quality of service Teleperformance provides. "The main asset of Teleperformance is our people, and due to this, Human Resources Management represents a strategic area within our organization". "I feel proud for having been selected for this new challenge and I am confident that we will be able to continue developing Teleperformance Benelux as a great place to work," said Mario.
